ABOUT US

As part of our commitment to providing the New Zealand veterinary industry with quality products and services, we are proud to continue our supply of ZebraVet's generic consumables available exclusively through SVS.

For over 15 years, ZebraVet has specialised in providing a full range of generic consumable products to the Australian veterinary industry. All these generics are produced by ISO 9001 accredited manufacturers. This means they have attained an internationally recognised standard for the manufacture of human medical products. SVS and ZebraVet can now offer you these great quality products at exceptional prices.

SVS, in conjunction with ZebraVet, would love to offer you and your practice significant savings and become your generic veterinary consumables specialist.

With SVS and ZebraVet...

Our Price is Your Profit.
